Description	Time/Quantity	Rate (USD)	Tax	Total
› Website Updates - Summer 2024	7	\$ 125.00	No Tax	\$ 875.00

Website updates per provided scope:

Overall:

- More scrolling, less clicking
- Easy to edit
- We are having trouble using Nimble Builder on the home page. We add content and it does not show as we've added it

Home page

- Top Nav bar - change from white to black (I will send a reverse logo)
- Change menu to Menu block on far right as seen on mobile devices, with larger "Concert Schedule" and "donate" buttons to the left of the menu block
- Every page to have a full width slide at the top (single image) with info box at the bottom, full-width left justified text w/button
- We struggle with formatting photos in the home slider and had to revert to Canva
- We had more on the home page but edits did not seem to work and we had to remove several sections.

- 2 Full-width sections which would have a photo and text on top that could click through to a page

- 1 gallery section with 3 containers concerts, community engagement, and donate - the section should be full width

Clean up site - remove or archive (what is recommended?) unnecessary content

Subtotal: \$ 875.00

Total: \$ 875.00
