Setup iDrive (to get off of my expensive offsite backup). Discover source of error message that popped up from time to time, it was Samsung Magician, presumably used when prior IT person installed SSD. Removed. Cleaned up system.

Migrated "server" files to Desktop. Instructed to turn off server after Copy finished and disconnect server if unused for 2 months.

Subtotal: \$ 125.00

Total: \$ 125.00
