9a - 145p

Fix fax machine link to Pc

Reconnected brother printer to network and confirmed shared with grumpy and bashful

Fixed hp printer. Advised replace with laser mfc

Fixed back computers and X-ray machine. Different user logins were breaking eaglesoft setup. Advised users to login with machine name (do not change what's there) and standard password.

Reviewed security in light of 201 CMR 17.00. Installed simple intrusion detection as placeholder for better IDS.

Worked with lighthouse to get their software relinked with eaglesoft.
